Dear Sir or Madam:

This filing is being made on behalf of Qwest Corporation (QC), Entity Code T-01051B.

Enclosed for filing with the Commission is an original plus thirteen (13) copies of revisions to Qwest's Exchange and Network Services Price Cap Tariff.

This revision proposes to eliminate the Qwest Connections Guide Program. This residential-only marketing program allowed the Company to work with realtors, mortgage and moving company representatives and other move-related professionals to market Qwest services to residential customers in the process of establishing new service or moving their existing service to a new address. Customers who subscribed to a Qwest service(s) received a \$25.00 gift card that could be used for various purchases including other Qwest services. The Qwest Connections Guide Program was only used briefly in 2005; consequently, there are no Arizona move professionals or residential customers impacted by this program elimination.

Qwest respectfully requests that these proposed changes become effective October 7, 2009.

Acknowledgment and date of receipt of this transmittal are requested. A duplicate letter and self-addressed, stamped envelope are attached for this purpose. If you have any questions regarding this filing, please contact me directly.

Sincerely,

Robin L. Terry
